

## DELICIOUS & CREAMY READY-TO-DRINK PROTEIN SHAKE

Our new, reformulated 330 ml Protein Shake provides 30g high-quality milk protein per serving. Milk protein comprises of about 80% casein and 20% whey protein. Both milk protein fractions feature an amazing amino acid profile with a naturally high content of essential amino acids, giving them an extraordinarily high biological value. With its impeccable nutritional values, our Protein Shake is the perfect addition for any nutritional regimen and training phase, from weight reduction/improvement of body composition to muscle growth!
